

\_\_playwithME\_\_

There's no need to search for a basketball court when \_\_playwithME\_\_ can create one on any asphalt surface!

\_\_teachME\_\_

\_\_teachME\_\_ is intimately connected to Edgar P Harney Elementary, acting mainly as an after-school and weekend tutoring center. Summertime sessions may be available, ask for information.

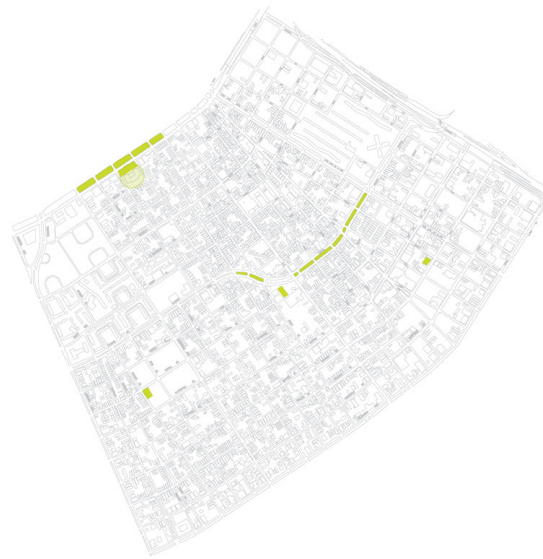

\_\_hearME\_\_

Keeping neighbors in close contact is what brings the community together. A mobile version of the New Orleanian porch gathering, \_\_hearME\_\_ is simply a gathering space, perfect for block parties or a neighborhood association meeting place.
