New York, NY 10033

karym12@me.com - 9175620822

Hello, nice to meet you!

I'm a young architect. I have a Bachelor degree in architecture from Tecnológico de Monterrey, México. I'm with 4 years of experience in the different areas of the architecture, commercial, industrial, residential, lighting, interiors and furniture. Also I have been in Construction and interior renovation management, deal with workers and contractor.

I was in Italy doing a program on Politecnico di Milano, taking courses about restoration and preservation, strengthening of historical buildings, sustainability and build environment, furniture and lighting design.

Other skills.

- Strong written, oral and organizational skills.
- Highly proficient in AutoCAD and Photoshop.
