[EXPERIENCE]

2019.6-2019.8:  
Summer Architectural Intern at Gensler, Shanghai Office,

Mainly focused on the retail podium interior design and booklet representation of a mixed used tower project in Guangzhou; and document organization as well as landscape/tower design concepts of an Urban design competition project that revitalized a traditional neighborhood in historical downtown area of Shanghai. (Both during Schematic Design, Rhino/Sketch/Enscape based process, with Indesign Booklet editing)
