

RAYMOND MICHEL

PORTFOLIO 2021

Raymond Michel holds a **Bachelor degree** in Architecture and urban planning from MSA University and with **validation Bachelor degree** from **GREENWICH University** in 2014 also, with **Masters degree** in urban design from **Cairo University** in 2019. During his studies, he volunteered in many local and international workshops and urban projects in CAIRO in 2012, **ROME** and **LONDON** in 2013, also he joined in many international summer-schools, sometimes as an organizer/co-teacher and sometimes as a student and participant with MSA University and **GREENWICH University**.

His graduation project was a comparative urban and sociological study in CAIRO city and how to build a rehabilitation center helps the street children to be integrated with the community. In 2015, he started to participate in many international competitions in architecture field. Since 2016, he is working as **lecturer** in the department of architecture, Faculty of Engineering, at **Arab Academy University**. In 2017, he participated in the European program for academic **teacher** (ERASMUS) in **Cyprus** as teacher in **FREDRICK University**.

Moreover, Raymond Michel has started his professional work with professor Adel Halim Ibrahim in (**Abdelhalim-CDC**) firm in 2017 as **Architect** to build his own creativity of designs. After that, he became one of the academic staff in the Canadian international college (**CIC**) in 2019. Finally, he became a **Team Leader Architect** at **PAVILLION ARCHITECTS** in 2020.

ADDITIONAL CREDITS: CDC-ABDELHALIM

An architectural rendering of a modern university building at dusk. The building is a long, multi-story structure with a light-colored facade and numerous windows, some of which are illuminated from within. The building is surrounded by a large, paved plaza with several palm trees. People are shown walking on the plaza, and the sky is a mix of orange and grey, suggesting sunset or sunrise. The overall atmosphere is serene and modern.
