DESIGN PROPOSAL | 3D MODELING  
VISUALIZATION | CAD WORKS

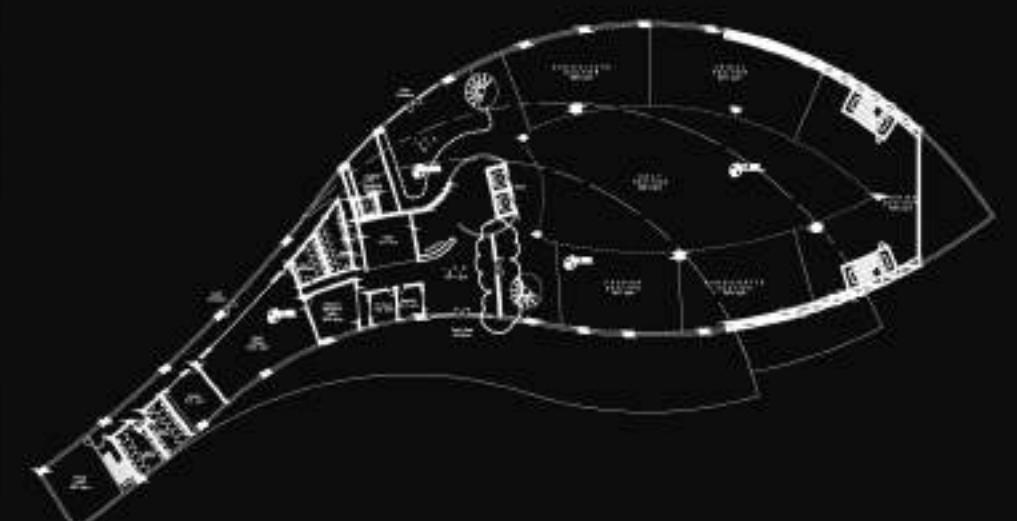

A Two Store Building, with a total area of 32,000 square meters. It houses Exhibition Halls Designated for various activities representing all heritage environment, as well as cultural, social and artistic activities.

The Kalba Heritage Museum is a cultural, heritage and tourist landmark that will be counted among the pioneering cultural projects implemented by Sharjah, under the directives of His Highness the Ruler of Sharjah, located on the beach of Kalba, opposite of the heritage area of Khor Kalba, will feature three sails of varying heights representing the sailing ship, and will provide many educational and recreational services and external services such as parking lots and gardens.
