EDUCATION

University of California, Berkeley CA

B.A. Honors, Architecture (1988-1990)

Cosumnes River College, Sacramento, CA

Architecture (1986-1988)

Brigham Young University, Provo, UT

Design (1983-1984)

ARCHITECTURE, PROJECT MANAGEMENT, AND DESIGN EXPERIENCE

Columbia, South Carolina (August 2023 to June 2024)

Phase One Design, Senior Architectural Designer

Helping young design firm transition from single family residential design into commercial design services.

Chicago, Illinois – working semi-remotely from Deary, Idaho (Dec 2022 to May 2023)

Hogsalt, Architectural Consultant

Coordinated design team and consulting engineers during construction documents and permitting phases for hi-end restaurant and residential projects. Developed architectural drawing sets for new and existing restaurant designs. Provided and coordinated interior design and architectural drawings and documents.

Deerfield, Illinois – working remotely from Deary, Idaho (Jan 2021 to August 2021)

Big Red Rooster Flow, Construction Project Manager

Consulting Project Manager for commercial tenant improvement projects. Assigned to specialized Walgreens project management team, guiding one-off improvement projects through bid, construction, and closeout phases. Closely monitored budgets and schedules of multiple simultaneous projects. Reported daily to corporate client managers.

Moscow, Idaho (Jan. 2020 to May 2020)

DKMullin Architects, Team Lead

Headed up the architecture team for the development of Planet Fitness gyms. Projects were mostly tenant improvements in existing buildings. Team was responsible for design, planning and building permits, and construction administration. I was developing / implementing as many as 30 projects at a time. Furloughed during pandemic.

Los Angeles, California (2012-2019)

GMPA Architects, Senior Designer

My position was to head all projects from concept through design development. Projects included mostly retail (shell), skilled nursing, mixed use, senior living, and high-rise residential projects.

Culver City, California (2008 to 2012)

Cole Garrison Design, Owner

I operated my own firm for four years providing design and consulting services to architectural, interior design firms and private clients.

Culver City, California (2004 to 2008)

MDA Johnson Favaro Architecture and Urban Design, Senior Associate. MDA JF is a firm dedicated to high quality architecture and urban design.

I was hired as **Project Manager** to implement the first phase of construction for a new ground-up 100-acre campus for Chaffey College in Chino, California. Also provided project management for the West Hollywood Library project from design through construction documents phases.

Marina Del Rey, California (1999 to 2004)

Carson Architects. Architectural Designer, Project Manager and CAD Manager.

Santa Monica, California (1996-1999)

GMP Architects specializes in high density. Their projects also include retail, skilled-nursing, and renovation. My original position was as a **Drafter**. I was quickly promoted to **AutoCAD Director** and **Network Administrator**.

Also, professional classical ballet **Dancer** - Idaho, Virginia, South Carolina, California (1990-2003)
