# Eagle's Nest

The Eagle's Nest project is a 3 bedroom condo located in the exclusive Yellowstone Club. The design focuses on an eclectic, colorful style mixed with classic mountain design to reflect the client's personality. Services provided on the project included drafting, project management, as well as fixed finish, furniture and lighting selection. A custom rug was also designed in collaboration with Kyle Bunting.

PROJECT COLORED ELEVATION - GREAT ROOM FIREPLACE

# Wit's End

Wit's End is a 5 bedroom ski home that maximizes the stunning surrounding views through the use of modern, simple furniture & floor-to-ceiling windows throughout. Standard design services were provided, including FF&E selection and project management. Custom pieces were designed for the project including several light fixtures.
